UPCOMING EVENTS:

SERAA FIELD DAY – Sat. July 25th

Hosted by Bull Hill Ranch, Gray Court, SC

National Red Angus Convention – Sept. 9th -11th

Grapevine, TX

SERAA Field Day Information

from Raymond Prescott, Manager - Bull Hill Ranch

This is a combined field day for the Southeastern Red Angus Association and the Red Angus Association of the Carolinas. Each group will be able to conduct their own separate business meetings during the day. We plan to start about 9:00 am with some cattle tours and cattle judging. We also plan to have a demonstration of Clemson University's Calving Simulator and the Rainfall Simulator from NRCS during the day, as well as a sprayer calibration demonstration if time permits. These will be hands on demonstrations where juniors and adults can take part in the program. A member of the Red Angus marketing team will be on hand to discuss enhancements to the Choice Plus grid and the Feeder Calf Certification Program, and we may also demonstrate the capabilities of the new RedsPro database. We will serve lunch at 12:00 noon eastern time, and we plan to have plenty of time for folks to visit, relax, fish and enjoy cattle and friends.

We are looking forward to a spending a great day with lots of Red Angus enthusiasts on July 25th! If folks want to come early or stay over, these are the closest hotels that I would recommend.
