As a seller, I agree to the following:

A signed certificate of registry for each animal or a signed Batch Transfer From (including all breeding data on bred females) will be supplied by me to the sale manager to transfer these animals to the buyer through the RAAA office in Commerce City, Colorado.. If a signed certificate or Batch Transfer is not provided, I will transfer these animals directly to the buyer.

All animals must be eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be supplied by me to the sale manager on each animal sold and will include the pregnancy status on females selling as bred. All health certificates to be turned into the office of the sale manager at least 24 hours prior to the auction.

All animals or embryo/genetic lots that are catalogued and do not arrive at the auction and sell will be assessed \$250.00 per lot. I agree to pay this sale expense on any animals or embryo/flush lots consigned by me that do not arrive and sell in this auction.

All animals will sell with a guarantee by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices. It is to be clearly understood that all warranties, guarantees and refunds on any animals not meeting the standards of the RAAA Rules & Regs shall be made by the seller to the buyer upon proof of cattle not meeting their representations in the auction.
